The members of the public who attended are supporting the campaign against Building the Leisure Centre we were all in agreement that the Nicholl Quarry site is the only option for it

I explained the vastness of the plans and a lot of the audience were not aware only expecting a swimming pool not taking up at least 25—35% of the Green

We asked everyone to get the word out regarding the vastness of the plans

Most of the meeting was taken up with the Green travesty

We had a lot of inquiries for membership and signed up 10 at the meeting and several others asked for forms to take back the membership fee is now £3.50 per person or £6 per couple this was proposed by Lynne Sims and Seconded by Geoff German and carried unanimous
