

STATEMENT

25 February 2016

At its meeting on Wednesday 24 February, Shepway District Council's Cabinet considered Hythe Town Council's decision to offer the necessary land to build a new leisure centre on The Green in Hythe, with certain conditions. After carrying out appropriate due diligence the Cabinet unanimously decided that it could not accept the offer owing to the Restricted Covenants on the land title. Therefore, it is the council's intention to pursue the construction of a new leisure centre for the district on Princes Parade and plans will come forward shortly.
